Education

Instituto Federal de Rondônia

IT Technician

Porto Velho, Brazil

2021 - 2023

- **Relevant coursework:** HTML & CSS, Python, JavaScript, Git & GitHub, Object-Oriented Programming, Relational Databases & SQL

Experience

Kmon! Climb Club, Climbing App

Full-Stack Architecture & Product

Self Project

Apr 2026 - Present

- Designed and built a full production app from scratch with Flutter + Supabase, managing 50+ database migrations and defining the entire data architecture.
- Implemented full Row-Level Security (RLS) in PostgreSQL, per-table access policies, and three-level privacy control.
- Built a full social graph with follows/followers, an activity feed, photo check-ins, and likes/comments.
- Built search with 250ms debounce, combined filters, and Google Maps integration displaying nearby locations via GPS.

Instituto Federal de Rondônia

OOP Teaching Assistant

Porto Velho, Brazil

Mar 2023 - Oct 2023

- Provided daily online support to students on Python programming concepts and exercises, 7 days a week.
- Led in-person reinforcement sessions twice a week focused on exercise solving and programming logic development.
- Supported the teacher in reviewing assignments and projects, contributing to assessment quality.
